

Benefitting the Rebuilding of Moore, Oklahoma

A terrifying category EF 5 twister that ripped through Moore, Oklahoma with wind speeds exceeding 200 mph is responsible for taking 25 lives (including 10 children), and destroying an estimated 13,000 homes. The tornado was on the ground for nearly 40 minutes over a 17 mile long, 1.3 mile wide path in the heavily populated area of Moore. The twister left a path of devastation and destruction, leaving thousands of families homeless. Many of those victims don't know where to turn for help, and are now left alone, with nothing. Shaken families need you to extend a helping hand. Part of what makes this country so great is the unity that we find in tragedy. Please be gracious and help these families in need.

100% of all monetary donations will go to The United Way of Central Oklahoma who will see the appropriate distributions of these funds.

Through your generosity in donating, we can feel a part of the recovery process so needed in Moore, OK. Please help us help these families rebuild their lives.

We hope your GRACE is never ending!
